KNOX HIGH SCHOOL

KNOX, INDIANA

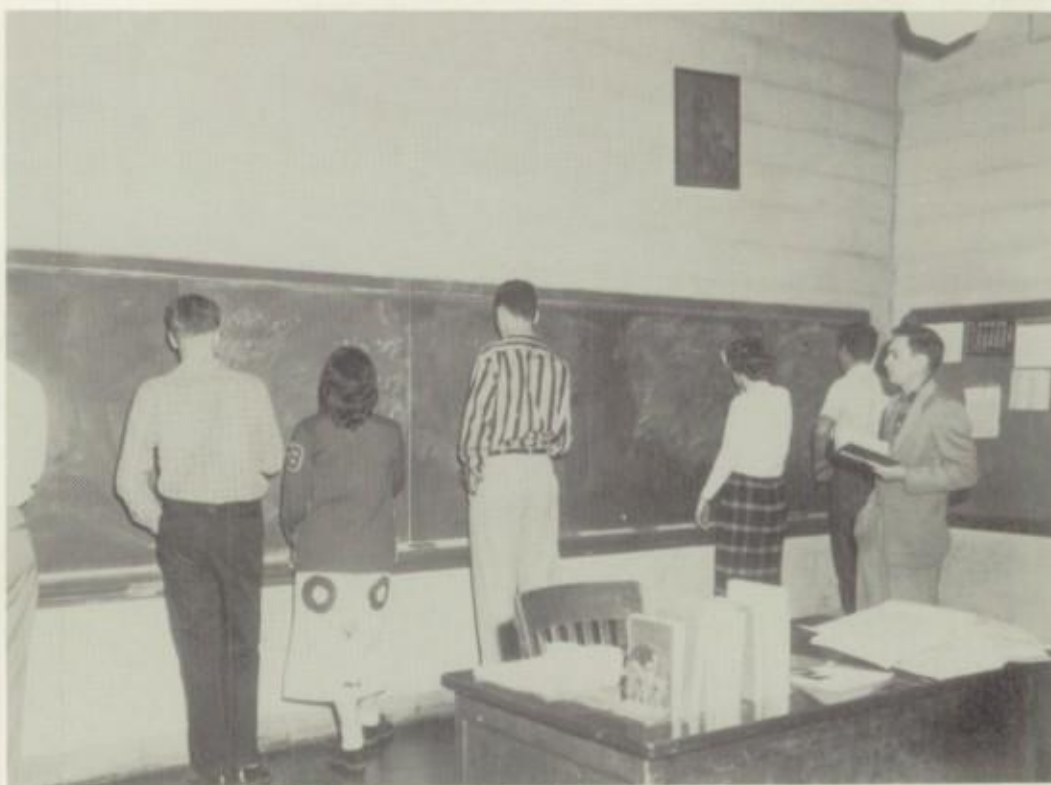

# This Is Knox High

It symbolizes to us not just a building on South Main Street but all the studies which prepare us for the future, all the activities in which we participate, all the sports which we enjoy, and all the people - students, teachers, administrators, patrons, and custodians - who create the true spirit of our school.

This mathematics class is using the blackboard to help them understand a certain type of problem. There are blackboards in each room and they are used frequently. A teacher can see the work of more pupils and thus help more of those who have the same trouble.

In government the Seniors are being prepared to become better citizens.

## Academic subjects

In English classes we learn to speak and write correctly. We also enjoy the writings of great authors.

The chemistry class is using the laboratory to experiment and prove theories that they have learned.

Junior High students learn the value of study.

*develop our minds*

The 1958 salutatorian, Clifford Runkle, and valedictorian, Don Leedy, proved that they applied themselves to their studies.

Latin exercises our minds and really improves our English vocabulary.

An agriculture class is most important to many boys. They learn more about how to farm efficiently and economically.

## Other subjects train

Home economics is a course for future housewives. The girls learn to cook, sew, and how to become better homemakers.

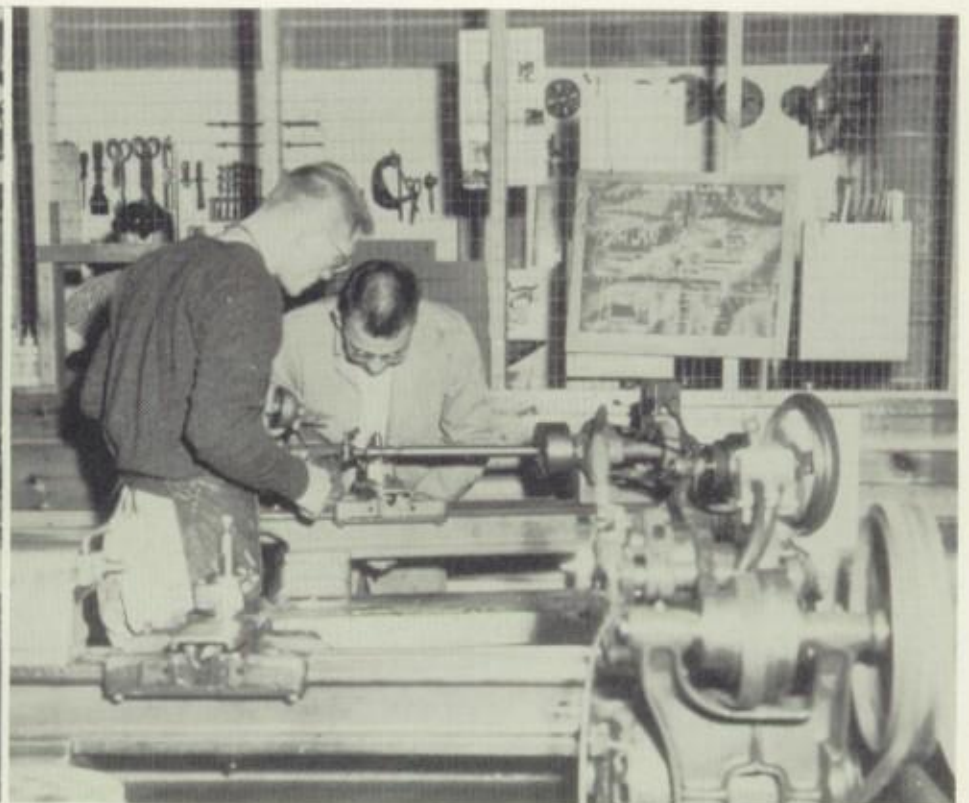

Typing is a very popular course. Students take it because it is useful in so many different businesses.

Band is a lot of hard work and practice, but the finished product is worth the effort.

An industrial arts course is useful to many boys. Here they not only learn a trade but they can acquire a wonderful hobby.

## us in manual skills

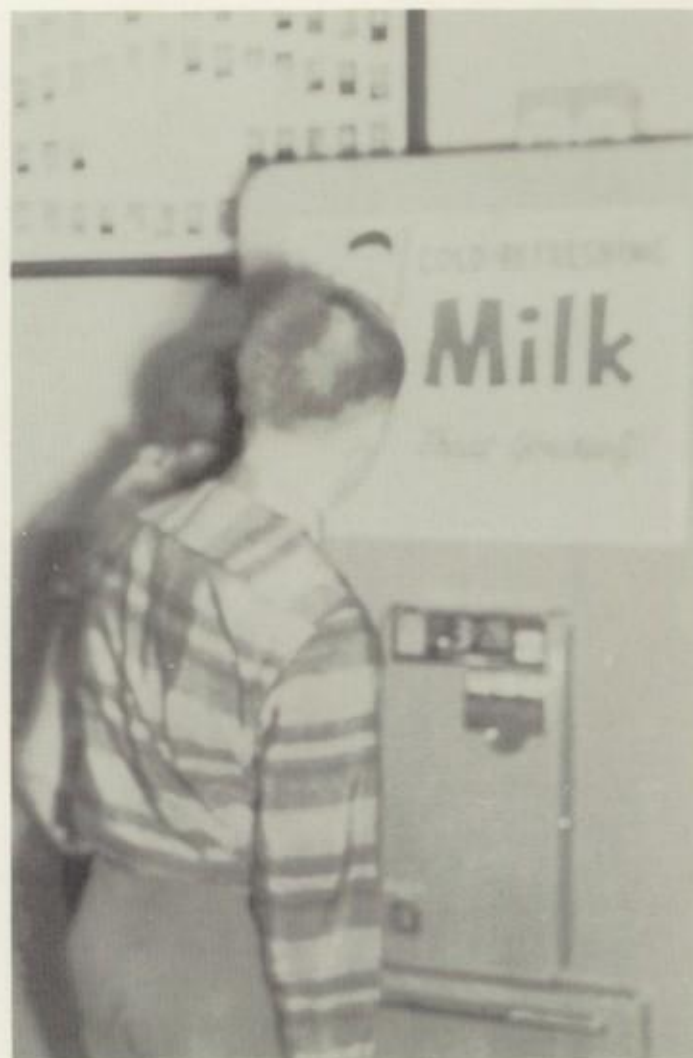

The students practice hard in chorus, but mainly they gain pure enjoyment in just singing.

Opening a locker may seem easy but it usually takes a sophomore a few tries before he succeeds in opening his for the first time.

The milk machine causes a bustle of activity between classes. Milk is used by many students as a pick-me-up and a thirst quencher.

## School life is

When a class play is being presented, everyone that has anything at all to do with it has fun.

A huddle means a quick rest and a few short instructions for the players. It also means time for a yell by the spectators.

The action in a football game usually gets rough. However, ask any boy who has played if he would quit and he will immediately say "no."

## *enjoyed by all*

The library is used by the students for study as well as for their own enjoyment.

At the homecoming football game we have our annual downtown pep session. Superintendent Secor gave one of the spirited talks to the team.

For those boys who do not play varsity basketball an intramural program was developed and enjoyed by many boys.

The home economics girls decorated the tree and halls for the Christmas celebration.

A Christmas party was given for the high school by the student council. There were many activities going on at this time.

## Other people and events

Since dancing is so popular at these times there were large turnouts at the many dances.

A Christmas party at the junior high school was enjoyed immensely by all.

## *add to our enjoyment*

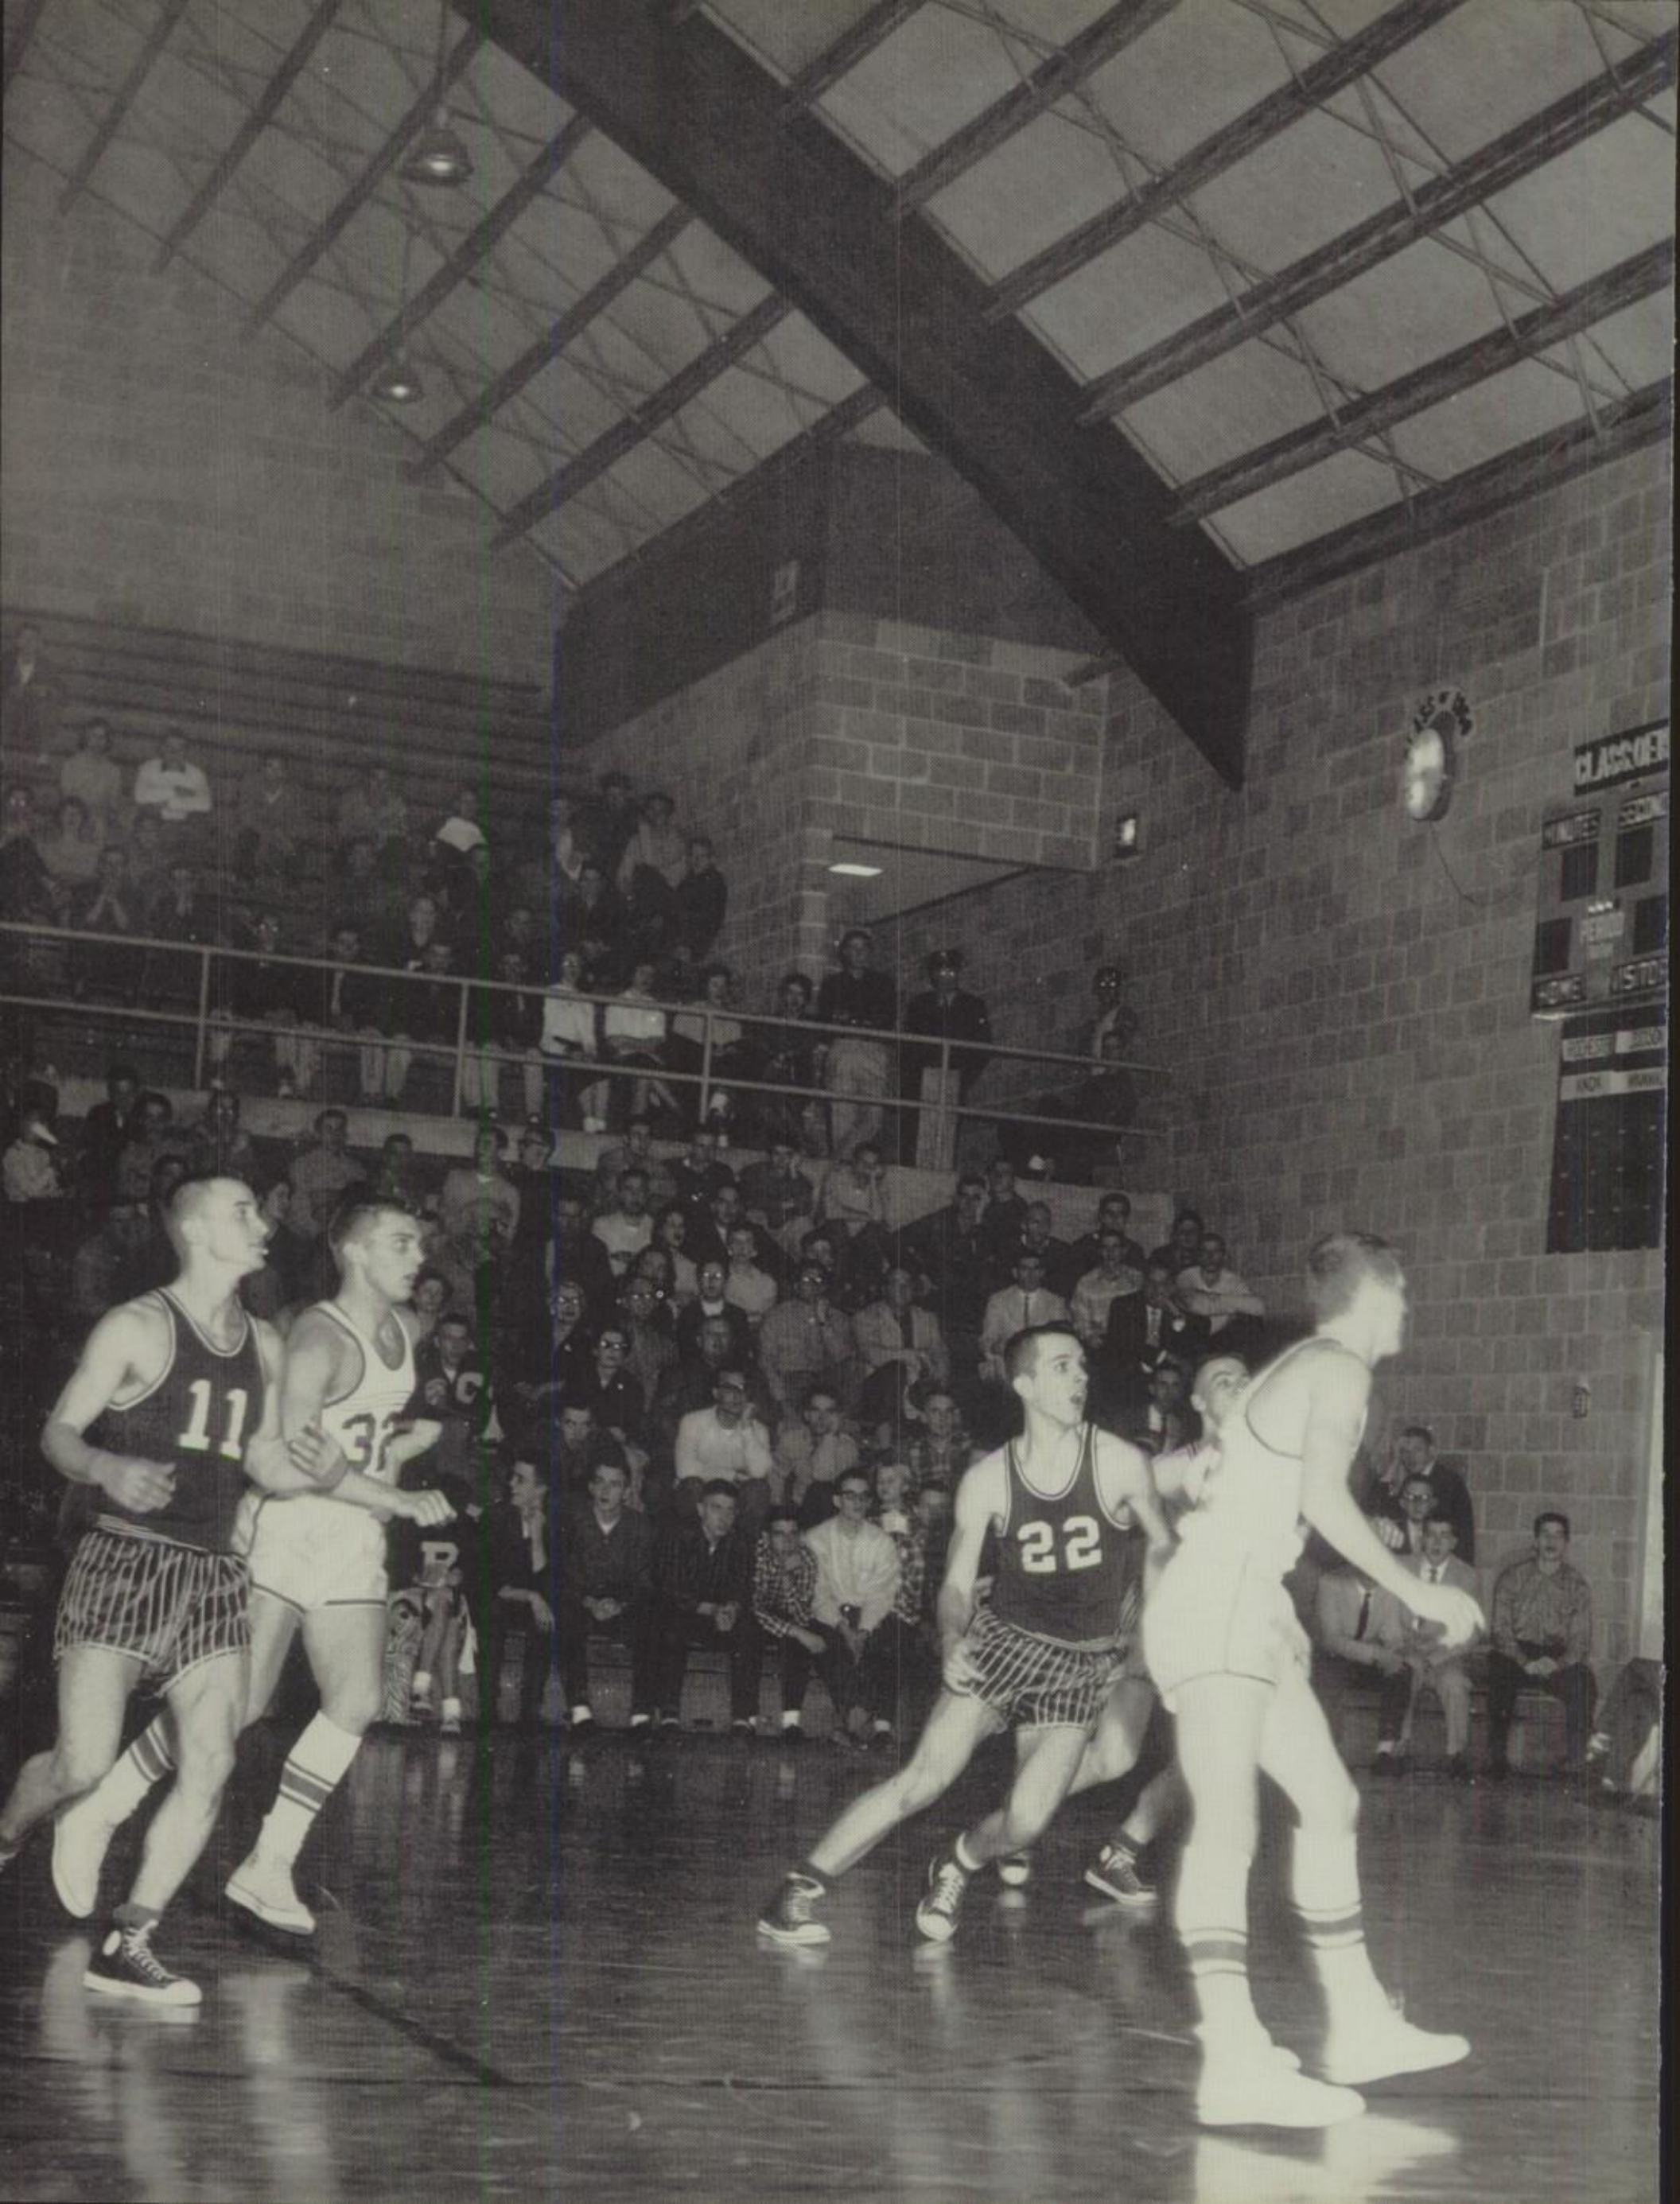

Safety is very important. The junior high patrol provides safe crossing at intersections located near the schools.

After a party, athletic event or any other social event there is usually a big mess to clean up. These are the men that do it: Mr. Lucas and Mr. Rock.

# This Is Knox High

## in Sports

Sports bring the whole student body closer together. They bring out school spirit, teamwork, and sportsmanship.

We start our season with football - rough and tough - but our boys fight on for our school. Next is cross country that the boys enjoy, for their school spirit keeps time with their running feet. Basketball, our indoor sport, offers the thrills that come only with playing fair whether they lose or win. We end our sports year with track which brings enthusiasm.

*Ben  
Bowen  
Award  
Winner*

Ollie Lockridge

Receiving the Ben Bowen award is one of the highest ambitions of every Knox High School boy who has participated in athletics. This award is given to the student whose record exemplifies clean living, sportsmanship, athletic ability, support of schools activities and good scholarship.

He is selected with careful consideration by a committee consisting of all junior and senior high school principals and coaches, the superintendent of schools and a representative of the school board.

This highly honored and coveted award is given in memory of the late Ben Bowen, an outstanding Knox graduate who sacrificed his life for his country in Korea.

Ollie Lockridge was the 1957 winner of this award. Besides having a high scholastical average he played Varsity football and basketball for two years, and was on the track teams two years, showing outstanding ability in these sports. He participated in other school activities, he was well known for his good character, and we can be justly proud to have known him.

All boys who win a varsity 'K' are eligible to become members of the K Club. This club is more of an honorary organization but it does back certain activities. This year we bought K hats to distinguish our members. We also sold tickets to the teachers' basketball game and finished our license plate sale from last year.

## *cheerblock back our teams*

This year we think our cheerblock was better than ever. We've added a spirit to the gym that would otherwise seem hollow. To make us more noticeable all the members purchased red collars with white letters. With the money we made we bought red beanies with K's in front. Many have complimented us on our appearance and school spirit. Being featured in the local newspaper made us proud.

The cheerleaders and sponsor, Mrs. Hite, help us to keep our high spirits and enthusiasm. We hope in the years to come the cheerblock will continue to be a noted part of our school.

The Redskins opened their 1957 football season Friday, September 6, by journeying to Morocco. The Redskins were downed by the Beavers 12 to 6.

The Redskins played the Monticello Tioga Indians on Friday, September 13. The Redskins fought the Indians down to the wire, but could not find the winning combination. The Indians took the game by a score of 13-7.

Knox again went South to play the Rensselaer Bombers on Friday, September 20. The Bombers outplayed the Redskins in every department as was proved by the score, Knox-0, Rensselaer-39.

The Redskins journeyed to Washington-Clay Friday, September 27, only to be downed by the Colonials by a score of 19 to 6.

The Redskins played the Plymouth Rockies on October 4. The Rockies were a tough team this year with only one defeat. Knox played hard only to have the Rockies score a third period T.D. to make the score 13 to 7 and keep that score throughout the final period.

On October 11 the Redskins journeyed to Delphi for their sixth game of the season. The Oracles tallied in every period to trounce the injury-laden Redskins, 42-13.

On October 18 the Redskins were slated to meet their inter-county arch rival, the North Judson Blue Jays. The Redskins, carrying an 0-6 record into the game trounced the Jays 34-0.

On a wet and muddy field the Nappanee Bulldogs played the Redskins on October 23. The Bulldogs, with a 7-1 record beat the Redskins 13-7.

The final game of the '57 season was played October 29 at New Carlisle. The Lions, with a 9-0 record were too much for the Redskins, who lost 19-7.

## 5th & 6th Grade Teams

# Track team moves on after delayed start

The opening of the Knox Track season in 1957 was delayed by bad weather. It was responsible for the postponing of the first three meets. After a little reshaping of the schedule, the boys came through with a two win and a three loss record. The team also placed fourth out of twenty-five schools in the Goshen relays and place high in most of the other relays. The squad consisted of seven seniors, four juniors, and ten sophomores.

## Girls in G.A.A. enjoy sports too

The Girls' Athletic Association, Juniors, is a recreation club composed of interested girls in the seventh and eighth grades. They meet every Thursday after school in the Junior High Gym for the purpose of providing wholesome recreation for those who wish to come. Some of the activities which have been presented are basketball, volleyball, deck tennis, end ball, ping pong, bowling, and dancing. Everyone is encouraged to use their talents in skits, pantomines, and singing. To earn extra money in addition to the nominal dues, this year the girls have run the coat check at the basketball games. The money goes for our page in the annual and for our awards, besides other miscellaneous expenses. To earn an award one must have forty points with two points given for each meeting attended. As awards the seventh graders receive a two-inch "K," while the eighth graders receive a G.A.A. pin. As special activities this year the G.A.A. have held a couple of dances with the Jr. High boys as guests and also a skating party.

SECOND ROW: Gail Nickols, Reporter; Sandra McMullin, Secretary. FIRST ROW: Nancy Arndt, President; Donne Riehle, Vice-President; Carlotta Estok, Treasurer.

## in Activities

The different activities that our school offers give the students a chance to express themselves and render services to the school.. In this ever changing world there are more people who have a great amount of leisure time. By participating in various activities the students are training themselves in ways to use up their excess time. Also extra curricular activities give the participant good training in meeting people and making friends now and in the future.

## Student group helps govern high school

The Student Council of this year has been proud to help govern this school. With the help of their fine advisor, Mr. Laramore, they have helped with such activities as intramural basketball, ping-pong, shuffle board, volley ball, noon dancing, Christmas program, and a student bookstore, and buying a juke box for the students.

Only one of the many things the student council has donated to the school.

The Junior High School Student Council consisted of a boy and girl from each of the seventh, eighth, and ninth grades. They performed duties similar to those of the High School Student Council such as putting a juke box in the gym and running a milk machine in the hall.

The Junior High School Student Patrol is used to help students to be safe at intersections that are near the school. They are on the job before school, at lunch hour, and after school in rain, snow, sleet, or shine.

The yearbook staffs, both editorial and business, have strived hard to make this year's Sandbur a success. The business staff under the leadership of Don Leedy sold ads to the business men, our friends, and also had charge of the selling of the yearbooks.

The editorial staff met in room 3 the third period each morning; and with the help of their editor, Jay Polen, and sponsor, Mrs. Hite, they planned and arranged each page in the book.

They sincerely hope that you enjoy reading and looking at the yearbook as much as they enjoyed preparing it.

This year our chorus was under the direction of Leonard B. Minix. We sang for various activities such as the PTA annual Christmas program and the Spring Concert on March 21.

The senior members traveled to South Bend to sing with other choral groups at the Teachers' Association.

A Rehearsal Clinic was held under the direction of Hilmer Jacobson, director of music at Indiana State Teachers College, Terre Harte, Indiana.

As our school year comes to a close we will sing for Baccalaureate and Commencement.

# when the chorus sings

Sam Cox, Larry Chizum, Rod Fout, Jim Drews

The Swordsmen have gained quite a reputation for themselves as a quartet which sings both religious and popular music. They have entertained at various organizations; such as, church clubs, women's clubs, plays, Rainbow, and many other social groups.

## ... and the band

Rod Fout, President; Colleen Wireman, Vice-President; Jeanette Combs, Secretary; Sue Solliday, Reporter.

The band's activities in the fall consist mainly of marching. It performs before the kick-off and between halves of our home football games. During these half-time shows, we try to combine snappy marches, school songs, and popular tunes with novel formations and march steps to make interesting entertainment for the fans in the bleachers. This year's marching band consisted of 82 members.

In August the group again performed in the annual Mardi Gras at the Riverview Amusement Park in Chicago.

On October 12 they took part in the Dairy Parade down State Street in Chicago. This parade honored the milk and milk products producers of the Mid-West, and it was televised over WGN TV.

In the latter part of October, the band participated with many other bands of Indiana in the Band Day activities at Purdue University.

Much of the success of the marching band during the last season was due to Mr. Minix.

## plays on

When the marching season ended, the concert work was begun. The concert band was again kept very busy this year.

On January 19, 1958, they presented their Winter Concert. During the month of February the Solo and Ensemble Contest was held and many took part in it and brought home many honors. In March the band as a whole took part in the Northern Indiana Band Contest. We have participated in this event for the past eight years and have received outstanding honors many times.

On May 4, 1958, we presented the Spring Concert.

The band is very fortunate in having the co-operation and backing of the Band Boosters' Association.

Also Mr. Hughes certainly deserves a lot of credit for the efforts he has put forth to make this another very successful year for the band.

The F.H.A. under the sponsorship of Mrs. Carey, carried out its aims this year with enthusiasm. The projects included a cosmetic demonstration, making cookies for the nursing home, making jewelry for our own use, giving the basketball team a banquet, a party for the F.F.A. boys, and finally a picnic for ourselves.

For the first time we had jackets this year, and we were very proud to wear them.

# This Is Knox High

## With People

People make up Knox High. They are the ones who create the friendly atmosphere which one immediately feels when he steps into the building.

The people are the students hurrying to classes to participate in that day's work; they are the students taking part in activities and watching athletic contests; they are the students laughing and talking in the halls; they are the students making new friends and renewing old friendships; they are the teachers lecturing and opening new fields of knowledge to the pupils; they are the teachers giving advise and helping with the problems of the pupils -- all these people are Knox High.

Mike Kimmey . . President

The junior class is always a busy one. Our main goal as juniors was to raise enough money to present the prom in all its splendor and our main money-making project was the sale of stationery. Of course, one of the highlights of the year was receiving our class rings, which we so proudly displayed to everyone.

Many members of the class have participated in the school functions and organizations and we are very proud of their enthusiasm.

Our sponsors, Mrs. Hite, Mr. Tucker, Mr. Longfellow, and Mr. Harrington, have been very helpful in their advice and counsel.

# Senior Officers

Marjorie Heise, Secretary; Sam Cox, Treasurer; Bob Pawlik, President; John Lenig, Vice-President.

All histories go back to the beginning, so we go back to the beginning of our high school career to start ours.

As Freshmen in high school we spent our first year at the junior high building.

At the opening of our Sophomore year, unsophisticated and green as we were, we suffered the unusual horror of wrong classrooms, upperclassmen, locker trouble, and various other imaginary horrors.

As Juniors, we felt more venturesome and learned the ways of upperclassmen. We chose pink and silver as our class colors, and the pink tea rose as our flower, and "May the ropes of the past ring the bells of the future", as our motto. During this year, we really became important in school life. As a climax to this year we breathed a sigh of happiness and yet of regret, for our Prom had been a success, but it marked the end of our Junior year.

Our last year will remain forever in our minds, with all the Senior Activities. With the aid of our capable sponsors we worked on several different projects so that we might have a nice "Senior Trip". The first semester was over in a flash. It seemed as though we had just started school before we were being fitted for our graduation robes and ordering our graduation announcements.

Baccalaureate and Commencement was one of the most remembered events of our Senior life.
